Item #	Description
SH384H2	48" x 96" x 0.12"

BENEFITS

- FLEXIBLE & EASY TO INSTALL
- MOLD AND MILDEW RESISTANT
- BRIGHT WHITE FINISH
- LIFETIME WARRANTY

WHAT IS IT?

Drainwall is a non-permeable panel that is permanently fastened to the foundation wall to stop water from entering the basement. Drainwall features small bubbles on the back that allow water from the foundation wall to be channeled down into the sub-floor drainage system, keeping the basement interior dry.
