

MAINTENANCE-FREE

75 AMP/HR BATTERY

AGM SEALED LEAD-ACID BATTERY

Includes Bolts,
Washers and Terminal
Screw Wrench for
ease of installation

#SLA75

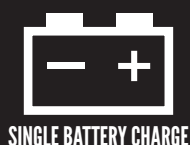

- Flame arresting, one-way pressure relief vent for safety and long life
- Multi-cell design for economy of installation and maintenance
- Thermally welded case-to-cover body to eliminate leakage
- Can be used in any orientation: upright, side or end mounting recommended
- Maximum plate thickness to support frequent deep discharge cycles
- Computer generated grid design optimized for high power density
- Low-calcium grid alloy for reduced gas emission and ease of recycling
- Manufactured by an ISO9001 certified facility
- AGM Design and UL-recognized component

BEWARE OF OTHER BATTERIES WHICH MAY CONTAIN RECYCLED LEAD!

Certified manufacturer using #1 Lead Ingot (99.994% pure) which eliminates impurities such as iron, copper, and silver that cause increased self-discharge. Third Party verified purity with each production run.

RICHTECH 75 AMP SEALED LEAD BATTERY PERFORMANCE*

*Based on 75 amp/hr SLA battery,
10' of lift, 10 second cycle
